Skills: Customer Service, Communication, Sales, Troubleshooting

WORK EXPERIENCE

Adaptive Networks

Bakersfield, CA

Help Desk Technician/Team Lead (Full Time)

July 2024 - March 2026

- Directed projects for client businesses, with direct communication on desired features, saving up to 3 hours of daily tasks per business.
- Lead a group of technicians in timely and efficient task management, whilst training up new employees and exceeding expectations in KPI reviews.
- Fostered lasting relationships with clientele via exceptional customer service and support; became part of the reason several clients wanted to continue service with our company in future contract renewals.

California State Polytechnic University Pomona

Pomona, CA

IT Student Assistant (Part-Time)

September 2022 - December 2023

- Provided technical support for customers seeking assistance with internal student and professor account issues, as well as library hardware and software.
- Serviced our local and server-based print environments via hardware repair and software management.
- Collaborated with peers and other employees to solve internet issues and apply network reservations to school-sanctioned devices.

Coding Minds Academy

Pomona, CA

Teacher (Contract)

August 2021 - January 2022

- Taught Montessori classrooms of 20-30 children aged 1st through 5th grade with an assortment of programming languages, such as Scratch and Java, with a 100% pass rate.
- Coached individual children in making their own projects to be shared worldwide.
- Adapted to multiple teaching styles based on the age range and content to be taught, in order to facilitate a healthy learning environment.

EDUCATION

California State Polytechnic University Pomona
